

Be well, stay well

Our employees are what make Voya a truly different kind of company and we are thrilled to welcome you to our team. Voya provides the resources that can make a difference in your lives.

To us, this means thriving physically, financially, socially and emotionally. Voya benefits are designed to help you do just that.

That's why we offer an array of plans, programs, tools and resources with one goal in mind: To help you and your family ***be well and stay well.***

Enrolling for coverage

What is the deadline to enroll?

New hires must enroll for benefits within 30 days of your hire date. Your elections will be effective from your date of hire through December 31.

What if you don't enroll?

If you do not enroll within 30 days from your hire date, you will not be enrolled in any of Voya's health care, ancillary or voluntary plans. You will receive default coverage in company-provided benefits such as short-term disability, basic long-term disability, basic life insurance and business travel accident insurance. Your next opportunity to enroll in optional benefits will be during the next benefits annual enrollment period.

What if you want to make a benefit change mid-year?

If you experience a qualified life event — such as a change in marital status, birth of a child or death of a dependent — you can make changes to your benefit elections during the year. You must make any changes generally within 30 days of the event and up to 90 days for a birth or adoption of a child. The coverage change you make must be consistent with your status change.

For more information about benefits, qualified life events or to enroll, go to [myHR > Health > Benefits Enrollment Center](#) or log into [Workday](#). If you have additional questions, call the [Benefits Service Center](#) at (800) 555-1899.
