

40,000 RECs

40,000 RECs

NextEra Energy Resources, LLC

renewable energy certificates

This Certifies that Voya Services Company

is the purchaser of 40,000 Renewable Energy Certificates originated from NextEra Energy Resources' Wind Fleet. The Renewable Energy Certificates have been retired permanently and 100% of revenue has been used to develop new renewable energy projects through EarthEra Renewable Energy Trust.

NextEra™ Energy Resources, LLC declares that all the environmental attributes (including carbon dioxide benefits) and any emissions offsets, reductions or claims attributable to the renewable electricity generation represented by this Renewable Energy Certificate were retired for the benefit of the bearer of this certificate.

Region: National
